Acknowledgment to Reviewers of *Children* in 2021

Children Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Rigorous peer reviews are the basis of high-quality academic publishing, and thanks to the great efforts of our reviewers, *Children* was able to maintain its standards for the high quality of its published papers. Thanks to the contributions of our reviewers in 2021, the median time to the first decision was 20 days and the median time to publication was 40 days. The editors would like to extend their gratitude and recognition to the following reviewers for their precious time and dedication, regardless of whether the papers they reviewed were finally published:
